NASS STEEL INDUSTRY DINNER

The Grand Hotel, 1 Church St, Birmingham B3 2FE

The Annual Steel Industry Dinner, a prestigious black-tie event that attracts professionals from within the steel industry.

This year, the venue for the dinner will be the luxurious Grand Hotel in Birmingham.

In a stately building opposite Birmingham Cathedral, this elegant hotel dating from 1879 is set in the city centre. It's 2 minutes' walk from Birmingham Snow Hill train station.

The dinner will be held in the Louis XIV-style Grand Ballroom; a literally breath-taking space that has been restored to grandeur. Double-height windows, a semi-private balcony, and original art deco chandeliers.

The Dinner is a must on the industry calendar and is the perfect event at which to entertain your customers, suppliers and staff. Throughout the night, there will be speakers, and a silent auction for Crohn's and Colitis UK, the Director General's chosen charity.

The event is also a perfect opportunity to network and by sponsoring the Dinner, you will raise your company profile. There several packages to choose from. For more details, please see overleaf or email claire.carron@nass.org.uk.

We look forward to welcoming you to the Dinner!

Thank you to our pre-dinner drinks sponsor:

Speakers

We are honoured to welcome the following speakers to the NASS Annual Dinner:

Principal Speaker - Jon Bolton

Jon is the Co Chair, with the Secretary of State for Business and Trade, Jonathan Reynolds, of the UK Steel council recently established to develop a Steel strategy for the UK Steel industry.

Natasha Cockram from Crohn's and Colitis UK will also be in attendance to speak about the charity.

Chosen Charity

This year, Ian Darby, Director General for NASS, has chosen Crohn's and Colitis UK as the chosen charity.

Every day, people are diagnosed with Crohn's or Colitis, the two main forms of inflammatory bowel disease. You could be any age, rich or poor, of any faith or none, of any ethnicity, sexuality, or gender. You could be anyone walking down any UK street. Whoever you are, a diagnosis of Crohn's or Colitis will be life changing.
